

**MEMO 019 - TRAINING & BUSINESS DEV'T GROUP - 2022**

FROM: Megaworld International - Business Development Group  
TO: Territory Heads  
CC: MMA/Group Heads  
RE: **IPA Policy on Transfer of Region/Group**  
DATE: December 12, 2022

Effective December 12, 2022, please be informed that all International Property Ambassadors (Marketing Associates, Marketing Managers, Marketing Directors, & Marketing Partners) with an active contract are prohibited to transfer to another region/territory.

The IPA can only transfer to another region/territory after six months of inactivity, and must send an application letter to the territory head.

This also applies to an IPA who is relocated and chooses to renew his contract under the new region he is currently residing in. If the IPA decides to be accredited in his previous region despite relocation, then application is unnecessary.

This memo will be strictly implemented by the Business Development Group on the said date.
