

## MEMO 015 – TBD – 2020

**FROM :** MEGAWORLD INTERNATIONAL – TRAINING GROUP  
**TO :** ALL TERRITORY HEADS/SALES TEAM  
**CC :** MMA; GROUP HEADS & MWI EMPLOYEES  
**DATE :** MARCH 9, 2020  
**RE :** POSTPONEMENT – OFFICE TRAINING SESSIONS

---

After the recent announcement of the additional confirmed COVID-19 cases in the Philippines, particularly in Metro Manila, Training and Business Development Group has considered of **temporarily postponing all training sessions in our office** every Wednesday, Friday and including special training initiatives such as the Train and Tour Thursday Sesh effective immediately.

As we wish to protect all Megaworld Employees especially our division from the possibility of being infected of such virus, we will instead conduct **online training sessions** for business continuity and consistency. Skype, Facebook Messenger, Viber, and other social media platforms will be our alternative options to cater training requests, moving forward.

Please email [mwi.training@megaworld-marketing.com](mailto:mwi.training@megaworld-marketing.com) to secure online training schedules for your networks and as soon as it safe to resume the usual training cycle, we will then be accepting trainees again for live sessions, especially in our office.

During these pressing times, each of us needs to be more responsible in emphasizing prevention for ourselves and for the people around us. We need to find ways and efficient means to serve our agents and clients without jeopardizing health and well-being.

As we claim Psalm 91, TBDG continues to pray for everyone's protection against COVID-19.

God bless us all!
