RE : PROJECT PRESENTATION MATERIALS – THE SOFIA TERRACES, LA RIVIERA AND EAST PARK RESIDENCES

Great day Megaworld International!

We would like to inform you that presentation materials for new Suntrust, Inc. projects, **The Sofia Terraces, La Riviera** and **East Park Residences** are already available upon request from Training Group.

With regard to this, kindly be advised that since the Licenses to Sell (LTS) of the three projects are still on process, we are prevented from uploading the presentation materials on TBD Cloud.

Should you have prospect buyers of these three projects, feel free to email Training Group for the temporary presentation decks.

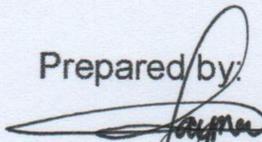

In addition, please be mindful that the three presentation materials are for internal training purposes only. Kindly refrain from posting on any online platforms or social media accounts until further notice.

Should you have further queries and clarifications, feel free to contact us through email.

Thank you and God bless!
